IMPACTING RADIO NOW

Songs ranked by totals. Songs are bold when gaining or remaining flat from previous week. If two songs tie in totals, the song with larger increase is placed first. Most Added is total number of new adds reported by each station or by internal system threshold for stations. The ranking and positions are based on estimates and should not be relied on for accuracy or representativeness. Spins Tracking System reserves the option to move songs to recurrent as necessary. Spins Tracking System is a service of Backstage Entertainment Group, LLC. Backstage Entertainment Group, LLC makes no representations about the reliability of features, the Content, User Content or any other, disclaims all liability in the event of any service failure, and makes no representations regarding the amount of time any Content or User Content will be preserved. You acknowledge any reliance on such material or systems will be at your own risk.
